(*At rise: MUFFY, CINDERELLA, SNOW WHITE and RAPUNZEL all enter together. Muffy is talking at a million miles an hour.*)

**MUFFY:** —and I absolutely had *no idea* that you guys had such a passion for mild cheese products. I honestly thought that it was just me. I mean, most people just like cottage cheese, but for me, curds and whey are the *whey* to go. Get it? *Whey?* W-H-E-Y? I've been saving that one for days! Anyways, everyone thinks that just because it doesn't taste like anything it isn't delicious, but I tell them that it is the *texture* that makes it awesome, because seriously, who doesn't love some good texture? Some people say it's like eating lumpy paste, but they don't even know. Lumpy paste would taste *so gross*, I mean, you can't even compare —

**SNOW WHITE:** (*To Rapunzel:*) Lock the door.

(*Rapunzel locks the door.*)

**MUFFY:** Whoa. That was kind of scary. *Lock the door.* You sounded *crazy*. Actually, you *look* crazy. Actually, *all* of you look crazy.

**CINDERELLA:** Muffy. It's time.

**MUFFY:** For mild tasting cheese?

**RAPUNZEL:** For you to stop thinking about cheese and start thinking about your *ever after*.

**MUFFY:** My what?

**SNOW WHITE:** Sweetie, there comes a time in every girl's life when she needs to start making priorities.

**CINDERELLA:** I mean, you don't want your claim to fame to be sitting around and eating curds and whey, do you?

**MUFFY:** Well, I wouldn't call it *eating* so much as I'd call it *experiencing* —

**RAPUNZEL:** Seriously. You need a boyfriend.

**MUFFY:** I do?

**SNOW WHITE:** Yes, and don't even worry, because we've got you covered.

**CINDERELLA:** Like, we all met our boyfriends in real life, but for people who are little less...um, like a little more...like, kind of...

**MUFFY:** Weird?

**CINDERELLA:** No! Just like... not as socially adjusted!

*(Cinderella, Snow White, and Rapunzel gather around a laptop.)*

**RAPUNZEL:** There's a way for somebody like you who is so super special to get a boyfriend too! It's called EverAfter.com – and isn't the website so cute?

**MUFFY:** It's super – pink.

**SNOW WHITE:** And it has animated unicorns! Ooh, there goes one – it made a rainbow! So awesome.

**MUFFY:** Is this a dating website?

**RAPUNZEL:** No! Well, I mean, do you want it to be?

**MUFFY:** Well, I was thinking about checking out ForeverProvolone.com, which is a website for cheese lovers –

**CINDERELLA:** Okay, Muffy, sweetie, remember. We said you can talk about cheese five times a day. You're at like number twenty-seven right now.

**MUFFY:** Those others don't count, because I thought we were going to cheese club!

**SNOW WHITE:** Just try out this website. I've heard super good things about it. Did you guys hear that story about FishSticks16?

**RAPUNZEL:** Yes! Muffy, you will love this story. So there was this kleptomaniac mermaid with a heart of gold and she put up her profile, and I swear to you, thirty minutes after, this guy crashed his burning ship basically on top of her.

**CINDERELLA:** It was totally fate.

**MUFFY:** Did he read her profile?

**SNOW WHITE:** You know, I don't actually know—but I'm pretty sure he lit his ship on fire just to get her attention.

**MUFFY:** So how does it work if she's a mermaid and he's...not?

**RAPUNZEL:** Oh, that wasn't a big deal. She just staked her entire livelihood on the chance that she could get him to fall in love with her in three days.

**MUFFY:** She what now.

**CINDERELLA:** Oh, and she couldn't talk either.

**MUFFY:** So how did he fall in love with her?

**SNOW WHITE:** Because he looked into her *eyes*, Muffy. You know what they say: eyes are the window to your brain.

**MUFFY:** I've...never heard anyone say that before.

**RAPUNZEL:** It's totally a saying. Okay, let's make your profile! This is so fun!

**CINDERELLA:** (*Filling out her profile:*) Okay, Muffy, what are you some of your hobbies?

**MUFFY:** Well, you all know my first and truest love is—

**SNOW WHITE:** Do not say cheese.

**MUFFY:** Why not?

**RAPUNZEL:** Because talking about cheese all the time isn't the best way to attract a cool guy.

**MUFFY:** Well, I don't care if I get a cool guy. If he doesn't like cheese, it's not going to work.

**CINDERELLA:** Okay, just—think of something else. Literally anything else.

**MUFFY:** Well, I like to...sit.

**SNOW WHITE:** You like to sit.

**MUFFY:** Oh sorry, I should be more specific. I like to sit on tuffets.

*(The Princesses stare at her. Muffy reaches over and points to the keys on the keyboard.)*

That's spelled T-U-F—

*(Cinderella slaps Muffy's hand.)*

**CINDERELLA:** Okay, we'll come back to that one later. Ooh, this is a good one: if you could be any color of unicorn, what color would you be?

**MUFFY:** I'd be...damp?

**RAPUNZEL:** You'd be damp? Damp isn't a color.

**SNOW WHITE:** Okay, you know what, girls? I think Muffy needs a little inspiration. Should we tell our stories?

**CINDERELLA:** Oh, yes, okay—I'll go first. So you guys know that my family is like a little dysfunctional. Like my stepmother and stepsisters made me sleep in the ashes—and not like so I could get a super cool charcoal mask, but for like abusive reasons. Anyways, so there was this huge party coming up and I knew this super charming prince was going to be there so I had to go. So I called my fairy godmother up and I was like "Fairy Godmother, can I please take the pumpkin out just for tonight?" and she was like "Okay, just make sure you have it back by midnight because I have an early Jazzercise class

---

tomorrow." So I went to the ball and I met the super charming prince and he looked into my eyes and saw my brain and girls, girls—it was totally *love*. But I realized it was almost like midnight so I had to run out of there but you guys know that my feet get super swollen up when I get stressed out so my shoe fell off on the stairs. And the prince was like so obsessed with me I guess that he spent the rest of the week looking for my house so that he could find me and own me. So romantic, right?

**RAPUNZEL:** Gets me every time. So cute. (*To Snow White:*) Okay, your turn.

**SNOW WHITE:** Okay, so you guys know that my beauty routine is super fabulous. Well, my stepmom got super mad at me when I wouldn't share my beauty hacks with her, so I had to run away and live in a house with these seven short guys. I mean, having seven roommates is kind of ridiculous—especially when they're all guys. I swear to you, none of them *ever* did the dishes or washed their socks. So gross. Anyways, one day, I decided to eat this huge apple pie all by myself because I was super sad that I didn't have a boyfriend, and you guys know that I crash super hard after a sugar rush, so I actually fell asleep. And when I woke up, there was this *super* charming prince just like kissing me awake. And, of course, he looked into my eyes and saw my brain and we totally fell in love.

**CINDERELLA:** Aren't you getting so inspired, Muffy?

**RAPUNZEL:** Okay, my turn, my turn. So you guys remember when I had that suuuuuper long hair that used to drag on the ground? Well, it got so nasty when I left it on the floor all day, so I would just like hang it out the window. I know it sounds weird, but it was amazing for helping my hair air dry. Anyways, one day I was leaning my head out the window and letting my leave-in conditioner soak into my hair—my split

ends were *crazy* bad—and all of a sudden, this *super* charming prince was climbing up my hair to get into my house. And, I mean, just like you girls, he totally looked into my eyes and saw my brain and, what can I say, it was love! And then he cut off my hair and he was totally right: I look way better with shorter hair.

**SNOW WHITE:** Don't you just love those stories?

**MUFFY:** Okay, so—let me get this straight. (*To Cinderella:*) A guy followed you around until you agreed to date him.

**CINDERELLA:** Totally.

**MUFFY:** (*To Snow White:*) A guy kissed you while you were asleep.

**SNOW WHITE:** On the lips.

**MUFFY:** (*To Rapunzel:*) And some guy used your hair as ladder and entered your house without asking.

**RAPUNZEL:** So spontaneous.

**MUFFY:** And...none of you see anything wrong with that?

*(Cinderella, Snow White, and Rapunzel look at her blankly.)*
